Dear Mr. Richardson,

Thank you for forwarding Report No. AST2114-2303 to Paula Kerger, pursuant to Public Law No. 117-262, Section 5274. I am responding to your letter on behalf of Ms. Kerger. Please be advised that the reference on page 3 to **OUTSIDE BEYOND THE LENS** as a “PBS-syndicated travel series” is factually incorrect, although that description may accurately reflect what was reported by Sierra News Online. PBS does not distribute this program. To the best of our knowledge, it is syndicated to public television stations through another distributor.

Please let me know if you have any questions.
